

IOSH Leading Safely

training team

www.ouchtraining.co.uk

As a senior executive, your time is precious. That's why we've designed our Leading Safely course in conjunction with business leaders to cover only what you need, in as short a time as possible.

Whatever the size of your organisation, the course will show you how investing in safety and health can reap valuable business benefits.

Who needs this qualification?

Designed for those with leadership responsibilities including; Directors, CEO's & Senior Management.

Business Benefits

- A reduction in accident rates, absence and sick leave
- Increased productivity and profits
- An improved reputation among suppliers, clients and partners
- Reduced insurance premiums and legal costs
- Better business continuity

Course Content

- Safety and Health and what it means for different leadership roles
- The responsibilities and behaviours of a leader
- What effective health and safety leadership looks like

- What happens when things go wrong
- How leaders can make improvements
- The benefits of effective safety leadership
- Assessment is completion of a personal commitment— a set of actions to take following your learning

Learning Outcomes

- Recognising the value of strategic safety and health and its integration into business management systems and performance
- Understanding your safety and health responsibilities
- Appreciating the consequences of poor safety and health
- Planning the overall directing for safety and health in your organisation.
- Understanding the importance of resourcing your safety and health management system
- Knowing why you should monitor and review your safety and health performance

Recommended for Directors, Senior Managers & CEO's.

Testimonial

"Very interesting course— the instructor obviously researched Hall & Woodhouse in length— this made a huge difference in terms of engagement. I would recommend that all senior managers attend this course."
Mark James, Managing Director at Hall & Woodhouse (Attended Senior Management Training with Ouch Training Team)

Course Delivery

We use a flexible format to fit in with your needs— choose from 5 hours face-to-face learning, or a blended approach of 3 hours face-to-face learning with an online module. We can also tailor the course content to suit your needs and industry, making our course relevant and engaging for delegates.

Ouch Courses

Training you can't ignore.

At Ouch we believe that health and safety shouldn't just be a tick in a box, through innovative training we aim to inspire competence not just compliance.

Our highly skilled and experienced trainers endeavour to deliver a range of outstanding courses. We use a range of innovative techniques to ensure the content is engaging and relevant for our delegates. We know that if the learning experience is enjoyable then you will remember your new skills and be able to recall them when they are really needed.
